

Special Educational Needs and Disability (SEND)

Information report for Parents – September 2024

What should I do if I think my child has a Special Educational Need or Disability?

If you have any concerns regarding your child's development or are worried that your child may have a Special Educational Need, please speak initially to your child's class teacher. The class teacher will listen to your concerns and will complete a SEND concern sheet. From there, the class teacher will discuss the concern with the SENCO, who will then arrange to check your child's current assessment data, liaise with staff members and then contact you to share feedback and next steps as well as any action (if any) that needs to be taken in order to support your child.

What is the school ethos/approach to SEN and Disability?

Our main ethos around SEND is that ALL teachers are the teachers of ALL children. Red Lane Primary School strives to be a fully inclusive school. We acknowledge the range of issues to be taken account of in the process of development. All pupils are welcome, including those with special educational needs, in accordance with the Admissions Policy.

Aims of our school

- To achieve and maintain high standards of behaviour, working together to promote an atmosphere of mutual respect, trust and understanding where all are valued and included.
- To promote spiritual, ethical, cultural, intellectual and social development of our pupils, ensuring well-being and celebrating diversity.
- To provide a supportive and nurturing environment to develop pupil's self-worth and caring attitude, enabling them to value and share responsibility for themselves, their families, relationships, society and the environment.
- To achieve and include an inclusive climate of equal opportunity, developing individuals to inspire to and reach their full potential whilst safeguarding the entitlement of all pupils to a high quality of education.
- To involve and value children's contributions in the decision-making process that impacts upon their learning, personal development and their environment.
- To foster an inclusive atmosphere conducive to learning and teaching which provides a breadth and balance of learning experiences that meet the needs of all children to promote independent learning.
- To equip children with the skills, knowledge and positive character attitudes which will allow them to develop a joy in life and learning, confidence in themselves, resilience, tolerance and respect for others and an understanding of the diversity of modern society and the wider world.
- To provide a safe, secure, enabling and stimulation environment where children can develop and celebrate their abilities, interests and talents to the highest possible standard they can achieve.
- To include parents/carers as partners and for them to be actively involved in their child's progress in development and learning.
- To strengthen partnerships between home, school and the wider community.
- To prepare our children as future citizens; preparing them to engage and preserve as individuals, parents, workers, and as citizens to accommodate economic, social and cultural change.

How will I know how my child is doing in school?

At Red Lane School we recognise the role that parents and carers have in their children's learning journey. As such we strive to work very closely with parents and carers to ensure that all pupils receive the correct support. This is achieved by:-

- Having three parent's evenings/ parent conference meetings each year.
- Short progress reports in December and April are given to parents.
- Full individual school report is given to parents in July.
- Three 'learning plan' meetings are held each year.
- There is an open door policy.
- SENCO is available to meet parents and carers.

If your child requires a multi – agency meeting, this will be arranged with appropriate paperwork and all relevant agencies will be invited to attend. Parents are always informed of any decisions made at meetings if they are unable to be present themselves. It is really important to us that any concerns or worries are addressed promptly so please do not hesitate to contact us.

What support will there be for my child's overall well-being?

Every year we ask parents and children to complete a questionnaire. From this we are able to improve what we offer. Class teachers work with all pupils to promote positive outcomes, and through specific programmes develop life skills. Pupils are supported in a variety of ways, these include having:-

- PSHE as a core area
- SEAL programme in all classes
- Peer massage programme/Reflexology sessions
- Targeted social groups where necessary
- Access to school counsellor and reflexologist.
- Key workers
- Induction staff
- Enrichment activities

How will I be involved in discussions about, planning for, and involvement in, my child's education?

Parents of pupils with Special Educational Needs are fully involved in reviewing the progress of their child. They are kept informed of provision and teachers suggest ways of how parents can support their child at home. We also ensure that parents/ carers are involved at every stage of the SEND process and speak to them regularly about the needs, concerns and aspirations that their children have. We contact parents regularly to update them on the SEND progress that has been made to support your child.

Furthermore, we hold events throughout the year where parents can come in and discuss how core subjects like English and Mathematics are taught. At Red Lane we always value parent's opinions so we will be happy at any point to discuss your child's learning with you.

How does Red Lane school involve children and young people in their education and in the decision making process?

All targets are shared with the pupils. In reviews the outcomes are also shared. Pupils with an Education Health Care Plan are involved in the review process and are able to attend the review meeting if it is felt appropriate.

Who, outside of school, can I turn to for advice and support?

The Bolton Information and Advisory Service (Parent Partnership)
School nurse
Health visitor
Occupational Therapist
Doctor
Educational Psychologist

Behaviour Support Service
Ladywood Outreach Service
Social care
Speech and Language Therapist

Where can I find information about Local Authority provision for children and young people with SEN?

Bolton Council has published a Local Offer. This details all the services available within the area to support a family or child with SEND. This includes health, social and care information as well as education and is a great place to go for information. To access the local offer just use the web address below.

Website –
[Bolton's SEND Local Offer](#)

How should complaints regarding SEN provision be made and how will they be dealt with?

The school's complaints procedure is outlined in the school prospectus. The SEND Code of Practice outlines additional measures the LA must set up for preventing and resolving disagreements. These will be explained to parents if required.

Parents are encouraged to raise any concerns with the class teacher initially. If parents would like any further discussions they can also meet with the SENCO or Head of School.

How do I get a copy of the school SEN policy?

- School website
- Request at school office
- Ask class teacher
- Ask the SENCO

Who do I contact for further information?

Mrs Driver 01204 333580
Mrs L Healey 01204 333580
Mrs Beswick 01204 333580

<p>How is equipment and facilities to support pupils secured?</p>	<p>Items are purchased using the school budget Occupational Therapy can supply specific equipment</p>
<p>How does Red Lane school support pupils with SEN during transition?</p>	<p>Prior to starting Red Lane school, meetings are held with parents. Parents are invited to attend “play and stay” sessions. Children attending other nursery classes are visited, meetings attended and extra visits arranged. Transition between classes involves information being passed to the new teacher and visits made. This is done in the summer term. When a pupil transfers to secondary school relevant information /paperwork is passed to the secondary school SENCO. Ladywood Outreach Service also arranges Induction packages. This allows pupils to make extra visits to their new secondary school. Moving Up booklet is made for pupils to take home in July.</p>
<p>How does Red Lane school support young people with SEN in preparing for adulthood, independent living and the next phase of their education, training or employment?</p>	<ul style="list-style-type: none"> • Access to enrichment activities • Meetings with secondary school staff • Visitors from the community • Transition days to secondary school • School trips • Crucial Crew • Enhanced transition to secondary school • Discuss aspirations with the children.
